School Transportation Waiver Form (5148.3)

I realize that the West Shore Career-Technical partner school districts provide transportation for students to travel to and from the West Shore Career-Technical District at Lakewood High School and related sites for the career-technical education program of choice. However, I wish and hereby accept responsibility for the transportation of my child for these classes and training.

In doing so, I acknowledge:

1. That the schools will not be providing supervision of my child while traveling.
2. That neither I, my child, nor any other party is an agent of the schools for this transportation.
3. That the schools, school officials and school personnel are not in any way liable or responsible for my child while driving or riding in non-school provided transportation between sites.
4. This Transportation Waiver applies only to my child. Due to liability issues, your child is NOT permitted to transport any other student to and from school.
5. That there is no school liability insurance or school vehicle insurance coverage for my child for this alternative to school transportation that I am choosing.
